OUR WASHINGTON LETTER. Frand---Tennessee Laucels--Cabinets, &c.

WASHINGTON, D. C., Nov. 8. MR. EDITOR: The democratic cry of fraud in New York, set on foot by Barnum & Co., falls still-born. It is discountenanced by all leaders in the party and General Hancock. It is simply laughed at by republicans, who say that to start so groundless a cry now to unsettle the country would be a piece of folly which even the blundering democracy would not dare do.

The praise of Tennessee is on the lips of everybody. The republican triumph there, in electing a gov ernor and three members of congress, and in capturing a sufficient balance of power in the legislature to dictate an honorable settlement of to dictate an honorable settlement of the state debt, has raised the credit of the state so much that our bonds have gone up in the markets of the world five or six cents on the dollar. Tennessee has won a crown of honor that each citizen of the state can not fail to be exceedingly proud of. One feature of this repudiation discussion we should not lose sight of. It is a question upon which the democratic and republican parties are divided on general principles. The republicans of Tennessee have done valliant A Purely Vegetable Medicine. service in behalf of the national republican party by driving the timeserving, faltering, repudiating democracy from power. Wherever a MALARIOUS FEVERS. Tennessee republican goes to-day he is met by republicans of other states with a warm shake of the hand. In the future, the north will feel a keener sympathy for the state on account of her achievements on last Tuesday week.

Bob Taylor's defeat in the first dis rict is a source of satisfaction from the fact that Mr. Pettibone is regarded as a far abler man and a truer friend of the union. Personally, Mr. Taylor stands well here.

It is currently expressed here as a matter of regret that more attention was not paid to the campaign in Tennessee by the national committee, especially in regard to securing a majority in the legislature.

It is thought here that Hon. Horace Maynard will be a member of Pres dent Garfield's cabinet, on account of the fact that he is the ablest republican in the entire south.

Some One Will Be Injured.

FERNANDINA, Nassau Co., Fia.,

March 29to, 1880. Ger tlemen-I have been using Dr. Simmons' Liver Regulator for ten ears, and I always found it to do the work that it claimed to dc. The last bottle of medicine that I bought did me little or no good. I also tried two packages, and found them worse than nothing and did me no good. You will find enclosed a sample and wrap. per which I see is not put up by J. H. Zeilin & Co., nd n t good or genuine, and must be a fraud, and any one just brows away his money to buy it. If I could get the pure and genuine Simmons Liver Regulator, I would be very glad. Send me a bottle and package right from the honest hands, with your big red Z and signature on the wrapper. I want it from the manufacturers themselves, so I know it is pure; the fictitious stuff sold will injure some one yet badly. To allow your medicine to be counterfeited will be a great loss and the public would be ruined-I, myself, especially.
